

NB50 Nesting Box

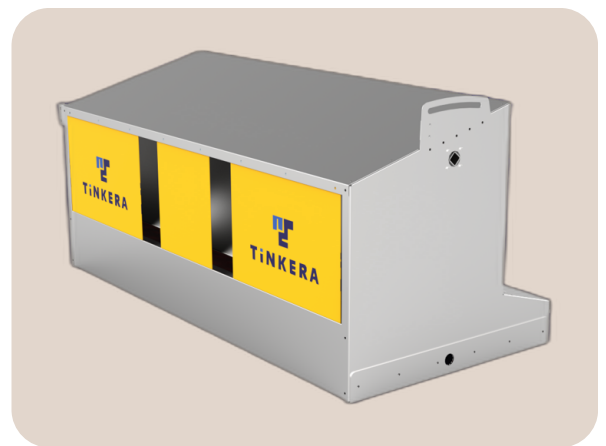

Compact roll-away nesting for small flocks up to 50 birds — clean eggs, quick collection.

Who it's for

Compact roll-away nesting for a small flock. Single-sided and single-tier, with an egg-rollaway to a rear collection bay and spirit-level control for a true set — the simple way to get clean eggs and less breakage.

Nesting	Egg-rollaway
Collection	Rear collection bay
Roosting	Levelling: spirit-level control
Gates	Automatic exclusion gates
Flooring	Astroturf + privacy flaps
Assembly	Flat-packed

Build the system around it

Nesting boxes drop into a fixed shed or a mobile setup. Owners often pair them with:

Matching chicken trailer

Take the same flock mobile — clean ground, rested paddock.

30-egg trays

Stackable trays for quick, clean collection.

Spare astroturf pads

Easy-swap pads keep the nesting surface fresh.

Add-ons

Bottom-mounting frame · angle-adjustment hardware · ChickenMaster Pro · solar panel + battery · external collection-bay lid
